

Hello to all you Hudson folks in the Gateway area .Roger Tallent here with a bit of info on future events this year. We held our yearly planning event at the Gateway Classics car museum / showroom and as usual were warmly received and had a fairly productive meeting. In attendance were Bill Kelly ,Mike Norris ,Dave & Louis Carroll ,Brian Letford ,Roger Tallent and guest Jacob Johnson.

Discussion was made of the raffle tickets offered for the national meet in the Wisconsin Dells and several were sold. These are quite lucrative as one version will pay your stay at the meet hotel . The other is a \$500.00 debit card to use as you wish. I have plenty left and can fix you up with raffle tickets if you are interested..

At the planning meet a drawing was held for a wind-up Doc Hudson car and Dave Carroll went home with that item. During our discussions we set our first event at the Pere Marquette lodge on April 22 arrive at 11:00 am and we plan on having lunch at 12:00 . To simplify things park in the upper lot just past the lodge entrance.

Next on our list of events will be our Orphan car display on Sunday June 3 at the Transportation Museum in Kirkwood Missouri 2967 Barrett Station road 63122 from 10 am to 2 pm no entry fee charged to the event. This is the same basic thing we did for years at the Museum in Forrest Park. We will be in the upper parking lot I'm told.
