

Gateway newsletter July 2020

This year has certainly been different than most anyone could foresee. We had a fairly ambitious schedule planned with some new things we thought would be good. And as you know it all went out the window with the shutdown of most of the country. I was inspired by Vic Valdez to try an open air drive in event at a local park. Along those lines we now have a pavilion reserved in O'Fallon Community Park 401 East 5th Street O'Fallon Illinois 62269 pavilion # 1 for August 16th. We have it basically all day but would like to eat around noon. Myself or Vic will arrive early enough to get some hot dogs and burgers cooked up for lunch. Bring along your choice of side dish for a picnic type meal. I don't usually ask you to RSVP on our events but due to the nature of things the city could cancel our permit at the last minute so call me a few days prior to check if it is still a go situation. My number is 636-448-3878 (Roger Tallent).

Other than a Christmas party this is all I think we are going to be able to do this year
