

Gateway Gazette April ,2023

Hello Fellow Hudson Folks, I am pleased to be able to say the planning and execution of the 2023 Central Region meet is well under way. And our next planning meeting is coming up soon:

Saturday April 8th at noon

Gateway Classic Cars in O'Fallon Illinois

1237 Central Park Drive #1

O'Fallon Illinois 62269

(Same place as last time)

Rather than lunch at a restaurant stop on the way and pick up some fast food and drink for yourself and eat with us in the meeting room.

We have had some issues with the link to make hotel reservations , I just used it and it is working fine now. To make reservations ignore the notice to phone Crystal Wilson and go to our Gateway website (gatewayhet.com) ,select “Regional Meet”.

This will take you to the page where you can link to the hotel website and choose your room. If you have any problems feel free to call me:

Roger Tallent – 636-448-3878.

I have always liked these woody wagons, not sure who owns this one but I would be honored to get to at least sit in it sometime.

(I would probably be afraid to drive it lest I scratch the paint)

One other thing regarding the Central Region Meet, we have added a couple things not published in the first notice's.

On Friday we will go to Gateway Classic Cars for coffee and donuts and a guided tour of their vast facility and all the collectible vehicles. This is a no cost part of the event. We also have arranged for a surprise guest speaker at the banquet on Saturday.

The old Hudson Factory at the beginning.
